

Enough, please. We as a country need to hear the viewpoints and opinions of a wide variety of people who represent the viewpoints and opinions of the wide variety of people who live in our towns and cities, across the US, and throughout the world. We DO NOT NEED TO HAVE THOSE VOICES SILENCED by the few who have the money and greed to buy all they can, specifically news media. Please encourage and insist on limits to media ownership and the continued existence of diverse media!
